Important Healthcare Resources and Information

Covered CA

Covered CA, open enrollment extended through June 30

Covered California opened the health insurance exchange to any eligible uninsured individuals who need health care coverage amid the COVID-19 national emergency. Anyone who meets Covered California's eligibility requirements, which are similar to those in place during the annual open-enrollment period, can sign up for coverage through June 30. For more information see the link above.

All Covered California and Medi-Cal Plans Offering Telehealth Option

All health plans offered through Covered California and by Medi-Cal provide telehealth options for enrollees, giving individuals the ability to connect with a health care professional by phone or video without having to personally visit a doctor's office or hospital.

All medically necessary screening and testing for COVID-19 is free of charge.
This includes telehealth or doctor's office visits as well as network emergency room or urgent care visits when necessary for the purpose of screening and testing for COVID-19. In addition, Medi-Cal covers costs associated with COVID-19 in both its managed care plans and with fee for service providers. Covered California health plans will help cover costs that arise from any required treatment or hospitalization.

Medi-Cal -Unemplolyed

Executive order waives re-determination for some safety net programs in CA:

Governor Gavin Newsom issued an executive order to extend the eligibility period for important safety net services like Medi-Cal and food stamps. The order waives eligibility redeterminations for 90 days for Californians who participate in:

- Medi-Cal
- CalFresh
- CalWORKS
- Cash Assistance for Immigrants; and
- In-Home Supportive Services

The change will allow current recipients of these safety net programs to continue receiving them without interruption.
